

Out and About

Outings

It is my policy to keep children safe on outings whilst in my care.

In order to do this I will ensure that:

The ratio of adults to children on any outing will never be less than 1 to 3.

I carry out a trial run and full risk assessment of the proposed outing.

I obtain written parental permission for children to take part in regular, local outings whilst in my care and specific written permission for a longer outing.

I take essential records and equipment for each child on outings as necessary, including contact telephone numbers for parents, a first-aid kit and a mobile telephone.

I keep records of my own and any other vehicles in which children are transported, including insurance details and a list of named drivers, and I make these available to parents.

I will ensure that I and any other driver transporting children in their own vehicle has adequate insurance cover and age appropriate car safety seats. This also applies to the use of mini cabs.

I make parents aware of what I will do in the event of a lost child.
